

DISCOVER UNSPOILT MAUI AND LANAI ON JORDAN'S HAWAII GOLF EXPERIENCE

Join Jordan on a holiday tour of old and new courses, as well as clay shooting, ATV rides and more!

Get away from all the development and crowds and take in the best the Islands have to offer. Come and see some of the great new golf courses, but don't forget to enjoy the playground that is Hawaii., including a glorious ferry ride from Maui to Lanai, as well as snorkelling, an ATV ride across some of the amazing landscape, and some clay shooting, which Jordan is convinced will help your putting. *“ We have even arranged to see the Garden of the Gods at Sunset. That might just be the most memorable part of your holiday, despite the superb golf courses we have lined up for you!”*

Flying into Maui, our group (maximum 20 people) will be taken by coach to the beautiful 5* Fairmont Kea Lani Resort, just outside Kihei. We'll stay here for 3 nights whilst we play Makena Golf course itself, and the beautiful Dunes at Maui Lani.

Day 4 sees an unforgettable ferry ride over to the quiet, private island of Lanai, where we check into the Shangri La of the Four Seasons at Koele. You will be stunned at the beauty and serenity of this place, and 3 nights here will be barely be enough! As well as playing Koele and Manele, you will also have the opportunity to experience clay shooting, and visit the Garden of the Gods just before Sunset.

You return to Maui on your final morning and have a chance to play the famous Plantation course at Kapalua, and your final night at the hotel could be extended for those that can't bear to leave Hawaii.
