

## JOIN ERIC FREDERICKSON FOR AN UNFORGETTABLE TOUR OF THE CANADIAN ROCKIES!

An insiders tour of golf, scenery, 5\* hotels and dining in the fabulous Canadian Rockies

Eric spent several years working at one of the most beautiful places in the world: Jasper Park Lodge Golf Course, and he can't wait to share his insider knowledge of the very best the Rockies has to offer. *"Our Goal at Jenahura is not only give you a chance to play the best golf the Rockies has to offer but to give you a truly authentic and local experience, all from an insider's view. Along the way, I will share with you the rich history of our hand selected golf courses, local world class dining experiences, and some of my hidden secrets that you won't see from any other tourist vacation."*

Transferring from Calgary airport, we make our way straight to the **Delta Kananaskis resort**. From here we have a perfect base for our trip to the **Mt. Kidd course at Kananaskis** - one of the most picturesque courses in a mountain setting anywhere in the world. Other great golf courses include the wonderful **Stewart Creek**, the truly famous **Stanley Thompson Banff Springs** championship golf course, as well as **Jasper Park GC**, Eric's old home.

You will have a chance to see the famous **Columbia Icefields**, as well as a selection of **Hot Springs, National Parks** and more photo opportunities than you can ever fit on one memory stick.

So bring a blank canvas, an empty memory stick for camera and mind, a good appetite and we'll fill you with so many outstanding memories you might never want to take a holiday anywhere else, but just keep coming back to the Rockies year after year!

## The Itinerary

### Friday June 11th 2010

Arriving either on Jenahura arranged flights, or by your own flight plan, we will transfer to the Delta hotel in Kananaskis from Calgary International Airport via private coach at 4:00pm. The journey takes about 90 minutes to cover the 60 miles, ample time to meet your fellow golfers!

### Saturday June 12th

Today is our first round of golf in the Canadian Rockies and will be played on the world renowned Mt. Kidd, a Robert Trent Jones Sr. Design. Jones Sr. himself called Kananaskis "the best piece of natural property he has ever had to work with" making it a perfect start to our golf experience.

### Sunday June 13th

Off to beautiful Canmore Alberta at the base of the Three Sister's Mountain range where the award winning Stewart Creek Golf club awaits. Upon completion of the round, a short 20 minute drive to Banff. Here guests will be treated to a hospitality experience like no other. Coined the Castle in the Rockies, the Fairmont Banff Springs will be our home for the next 3 days!

### Monday June 14th

Put the sticks away for the day and be sure to bring your camera. This is your chance to explore Banff National Park, a UNESCO world heritage site! Experience jaw dropping Glaciers, crystal blue lakes, stunning waterfalls, wildlife, and mountain views you can only dream of. Night time will be a chance to share stories and drinks at a fine local restaurant.

### Tuesday June 15th

Today we play one of the world's best golf courses. Designed by famous golf architect Stanley Thompson, the Banff Springs GC is truly a golf experience that is unforgettable. The Course winds its way along the Bow river underneath towering Mt. Rundle and Sulphur Mountain. Be sure to look up before you hit as the golf course is also a sanctuary for many of Banff's magnificent wildlife. Ranked in the top 100 courses to play outside the U.S. by Golf Digest, Banff Springs guarantees to be an experience you will never forget!

### Wednesday June 16th

We head towards Jasper on what promises to be one of the most beautiful drives you will ever take. The Ice Fields Parkway winds its way through incredible glacier mountains and some of my favourite stops along the way include the Columbia Icefields, Lake Louise, Athabasca Falls, and a few of my favourite sights normally reserved for the locals! Awaiting our arrival is my old home at the Fairmont Jasper Park Lodge. This famous old lodge has been hosting golfers since the 1920's.

### Thursday June 17th

We head back to the links to play Jasper Park Lodge GC, my absolute favourite in the world. Considered by many to be the best work ever from master architect Stanley Thompson, it is no wonder Jasper has received such high praise. Consistently ranked as the #1 golf resort in Canada by Score Golf, Jasper is an incredible combination of breathtaking scenery, rich history, and classic design.

### Friday June 18th

A day to experience Jasper National Park as if you were a local! Whatever you choose to explore I can guarantee I have either personally been there or know someone who has. Bring lots of film and get ready to experience one of the truly most beautiful places in the world.

### Saturday June 19th

Departure day today. For those that can only manage a week, we'll take you back to Calgary for your flights home. Come back soon!. For those that would like to stay on, we can organise more golf and more sightseeing.
